Theatrical Illusions | Spiritual Truth

Speaker and magical entertainer Joe M. Turner puts evangelism, education, and entertainment pieces together to bring glory and honor to Jesus Christ.

Looking for something fun, educational, and maybe just a little bit different to add to your programs for families in your congregation or community?

Joe M. Turner delivers event-appropriate programs with Christian themes in an entertaining and memorable format.

Joe M. Turner has spent his life studying three things:

- How to **entertain** people, especially through the use of theatrical illusion and sleight-of-hand;
- How to **educate** people, helping them internalize important messages; and
- How to **encourage** people to come to know Jesus Christ and understand what He did for us.

In addition to his hundreds of corporate performances, he has entertained and led through his presentations across North America and in Europe. Some focus on evangelism, some on education, and some are just for fun. But whether performing at a luncheon, banquet, Upward celebration, community outreach event or worship service, every event points to the one source of all true miracles, our Lord Jesus Christ.

Joe's programs can be customized to fit the themes and messages you are trying hardest to deliver.
