unreal entertainment and keynotes

From amazing keynotes to unbelievable after-dinner extravaganzas...  
From intimate sleight-of-hand to spectacular stage illusions...

**Chief Impossibility Officer Joe M. Turner** is America's most-recommended magical speaker and entertainer based on LinkedIn and Google results. He has performed at the world-famous Hollywood Magic Castle, Monday Night Magic in New York, the Tropicana in Atlantic City, and for hundreds of corporate, civic, and private events nationwide. But his best trick of all is to magically make your conference-organizing and event-planning headaches *disappear.*

Many of America's leading companies rely on Joe M. Turner's ability to integrate his skilled sleight-of-hand, mentalism and illusion presentations into their conferences, meetings, product launches, exhibits, advertising and other events.

Joe combines seven years of performance consulting and magical expertise. how he can put those talents

change management and human experience with deep theatrical. Contact him today to discover to work for your next event!
